2. In view of above, we may, if approved, again request the States/UTs/Implementing agencies to submit the progress report of DBT in respect of all DBT Schemes in prescribed format regularly on monthly basis. and Sr. Technical Director & HoD-NIC to review the implementation of DBT in 14 Schemes of this Ministry. We may send a reply to Cabinet Secretariat after the review meeting.

6. With respect to para (3) above, it is stated that Cabinet Secretariat (DBT Mission), considering the fact that Aadhaar enrolment process has not been completed and infrastructure constraints may pose difficulty for online authentication causing undesirable hardship and denial of benefits and services to the bona fide beneficiaries, has issued exception handling mechanism in accordance with the guidelines issued by UIDAI from time to time, *vide letter dated 19<sup>th</sup> December, 2017 (pg-48/C)*, which was circulated to all Chief Secretaries in States/UTs, Principal Secretary/Secretary (WCD Deptt. in all States/UTs) with a request to implement proper exception handling mechanism in conformity with the Aadhaar Act, 2016 and subsequent regulations and guidelines issued by the Government from time to time and a copy of the same was also sent to all Bureau Heads (MWCD) requesting to pursue with States/UTs/Implementing Agencies in respect of their respective DBT Schemes, *vide D.O. No. 12/35/2015-CD-I-Part(2) dated 1<sup>st</sup> January, 2018 (pg-53/C)*.

7. In view of above, Secretary (WCD) may like to consider the proposal made at para (5) above and indicate a convenient date & time for the meeting.

Submitted please.

#### Note No. #83

Ref notes above.

2. Out of 14 DBT schemes of the Ministry, MIS have been developed for 11 schemes (10 by NIC and 1 by CDFI) so far. Integration of PMMVY-CAS developed by CDFI with DBT Bharat Portal is in process. As informed by NIC, the 10 MIS developed by them are also ready for integration with DBT Portal. However, **once the MIS is integrated, manual progress reporting by the Divisions will not be possible and the DBT Portal will fetch data from the MIS directly.**

3. Thus, after integration, manual progress reporting will stop and

unless the beneficiary details and transaction details data are entered every month by field units of implementing agencies, the progress of DBT implementation of the Ministry in terms of scheme-wise score and overall score will slow down. However, **the Ministry's score will increase to some extent immediately after integration of MIS with DBT Portal, which is a milestone.**

4. It is, therefore, imperative that all Divisions implementing DBT schemes make sincere efforts to ensure following in a time bound manner:

- (i) Framing scheme-specific user guidelines and making the same available to all users of the MIS in a time bound manner;
- (ii) Simultaneously integration of the MIS with PFMS and DBT Bharat Portal;
- (iii) Pan-India roll-out of scheme-specific MIS on a specific date;
- (iv) Registration of user agency and creation of user Id and Password for each user of Implementing Agencies (States/UTs/NGOs) in a time bound manner;
- (v) Mandatory use of the MIS for all activities related to transfer of benefits (Beneficiary data digitization, Aadhaar seeding and validation, entry of bank details and mobile number and all cash transfer/transactions) after pan-India roll-out;
- (vi) Sensitizing and coercing the Implementing Agencies, if necessary, to adopt and use the MIS for implementation of the DBT schemes.
- (vii) Setting up Help-Desk with dedicated E-mail Id for user assistance and trouble-shooting (either in NIC-WCD or in the Division level)
- (viii) Designating the Divisional Head as Nodal Officer for implementation of the DBT scheme through MIS and coordination with DBT Mission, PFMS and Implementing Agencies.

5. It is, therefore, proposed that a meeting may be convened under chairmanship of Secretary, MWCD with the Bureau Heads and Divisional Heads of DBT schemes to discuss above issues and decide time line for each activity. Officers of DBT Mission, PFMS and NIC-WCD will also be requested to attend the meeting.

This is regarding data mismatch on DBT Bharat Portal.

2. In this regard, it is mentioned that the DBT Mission fetched the DBT data from the respective web applications for the month of September 2018. The number of beneficiaries showing on score card on DBT Bharat Portal in respect of (i) National Creche Scheme- Nutrition and (ii) Anganwadi Services - SNP schemes are ' zero' . The issue was taken up with DBT Mission and after much persuasion, they run web services as a special case for these two schemes on 31.10.2018.

3. After running the program, the number of beneficiaries showing on score card in respect of Anganwadi Services - SNP is 2,45,64,089 but the number of beneficiaries on score card in respect of National Creche Scheme - Nutrition remained unchanged i.e. zero.

4. We have also analysed the data reported on DBT Bharat Portal in respect of all DBT schemes and found that there are discrepancies in respect of following schemes in number of beneficiaries in the scheme wise dashboard of the portal and score card generated for the Ministry. The consolidated report may kindly be seen at pg-129/C .:

- (i) National Creche Scheme - Nutrition
- (ii) Rashtriya Mahila Kosh (RMK)
- (iii) Scheme for Adolescent Girls (SAG)
- (iv) Anganwadi Services - Supplementary Nutrition Program
- (v) CPS - Facilities to beneficiaries
- (vi) CPS - Facilities to beneficiaries (Sponsorship)

(vii) One Stop Centre Scheme (OSC)

3. In view of above, we may take up the issue with DBT Mission for rectification of these discrepancies.

3. In this regard, it is stated that before the integration of DBT Scheme specific MIS with DBT Bharat Portal, monthly data of Aadhaar seeding, financial transaction etc. were being reported on DBT Bharat Portal manually as per the data received from the States/UT. However, the number of total beneficiary under the scheme were reported as per the data available in ME Unit of this Ministry (in case of ICDS - SNP & Honorarium to AWW/AWH) and in case of SAG, expected number of beneficiaries were reported.

4. After integration of MIS with DBT Bharat Portal, manual entry was disabled and reports are being submitted every month on a specific date to DBT Bharat Portal directly through web services from the month as indicated in the tables above.

5. Since **the total number of beneficiary** reported in MIS by States/UTs are much less than that reported manually as may be seen in the above table and the DBT Bharat Portal reflects the maximum number of beneficiary reported in a particular month during any financial year, the score card is reflecting the total number of beneficiaries which were reported manually and not the number which is coming through the web services.

6. Recently, a meeting was held on 28.11.2018 under the Chairmanship of Secretary to discuss various issues related to implementation of DBT in MWCD wherein it was decided that concerned Divisions may review the total number of beneficiary under their respective scheme and report the same in DBT Bharat Portal. In this regard, DBT Mission has suggested that since the manual reporting has been disabled, Ministry should make changes in MIS only and request them to fetch the data from MIS to DBT Bharat Portal.

7. In view of above, to reflect the correct figure in DBT Score card in respect of above three schemes, we are required to report identical data in both “**the number of beneficiaries under the scheme**” and “**total number of Beneficiaries data seeded with Aadhaar**” fields in MIS for the month from April to June-2018 for ICDS-SNP and Honorarium to AWW/AWH and from April to July 2018 for SAG.

8. Similar changes are also required for other schemes. We may request the concerned Divisions to change the number of beneficiary under their respective scheme(s) in MIS and to intimate the DBT Cell for taking further action.

Submitted for consideration and approval. After approval NIC-WCD may be requested to take necessary action to correct/change the data in MIS.

With reference to the record of discussion held on 14.03.2019 before OSD

(WCD) on implementation of DBT in MWCD, a draft DO letter to all States/UTs on the following issues has been attempted and placed at **DFA/69584** for consideration and approval:

- i. Adoption and usage of MIS of DBT Schemes of MWCD
- ii. On-boarding of WCD/Social Welfare Department as Registrar and notifying office of CDPO as Enrolment Agency
- iii. Reporting of financial transaction in MIS, mandatory use of EAT module of PFMS, online submission of e-UCs of previous release and matching of data of e-UCs with data reported on DBT Bharat Portal
- iv. Training on EAT Module for States/UTs' representatives.

**Note No. #169**

Ref notes above:

In order to implement the Schemes in DBT mode through PFMS, the DBT Mission of Cabinet Secretariat has published a Standard Operating Procedure (SOP) explaining step by step action to be taken by the Implementing Agencies. Ministry of Finance has also issued strict guidelines vide Secretary's (Expenditure) D.O. No. 48(06)/PF-II/2016 dated 28<sup>th</sup> May, 2018 emphasizing mandatory use of the EAT module of PFMS from 15<sup>th</sup> June, 2018 failing which no further funds would be released. These have been shared with the States/UTs already.

2. Rule 86 and 87 of the General Financial Rules-2017 has laid down detailed procedure for implementing schemes in DBT mode through PFMS. Rule 87 (6), inter alia, states that "*Implementing Agencies shall generate Electronic Utilization Certificate (E-UCs) on PFMS portal and submit them online. E-UCs shall be used to certify that money was actually utilized for the purpose for which it was sanctioned to eliminate the need for physical generation of UCs*".

3. However, despite several reminders over last more than one year,

majority of the States/UTs are not implementing the DBT schemes in its true spirit. Transparency, efficiency and removal of fake/ghost beneficiaries from the system are the main purpose of implementing schemes in DBT mode, which are being defeated due to lack of intent on the part of States/UTs. Indifferent attitude of majority States/UTs are manifested by non-reporting of the monthly progress of beneficiary data digitization, Aadhaar seeding and validation of the DBT Schemes in the MIS. Financial transactions are also not being reported for most of the schemes in the MIS in the current Financial Year.

4. Keeping in view extant provisions of General Financial Rules-2017 and guidelines of Ministry of Finance, we may inform the States/UTs that from the next Financial Year (2019-20) onwards, the Ministry will not accept physical Utilization Certificate for grants released as GoI share for DBT Schemes. Further, 1<sup>st</sup> instalment of grants may be released on indicative basis and each State/UT/Implementing Agency shall mandatorily use EAT Module of PFMS for further disbursement and submit only e-UC (generated from PFMS) for the grants released by the Ministry. Further, pursuant to contents of Rule 87 (1) of General Financial Rules-2017, we may insist that States/UTs shall invariably use the scheme specific MIS developed by the Ministry for reporting physical and financial progress and shall ensure that the number of beneficiary and expenditure incurred, as mentioned in the e-UC match with the corresponding data reported in the Scheme specific MIS. In case of mismatch of data, the Ministry will be constrained to with held further release till the discrepancies are resolved.

5. A draft D.O letter accordingly is placed at DFA/69584 for approval.

DBT Mission (Cabinet Secretariat), vide its letter No. D-19011/01/2018-DBT dated 5th April, 2019, has informed that integration of MISs in respect of three DBT Schemes **(i) CPS - Facilities to beneficiaries (Sponsorship), (ii) CPS - Facilities to beneficiaries and (iii) Rashtriya Mahila Kosh (RMK)**, of this Ministry are under process and MIS in respect of **'One Stop Centre - Payment of Salary of Staff'** is yet to be developed and integrated with DBT Bharat Portal. DBT Mission has, therefore, requested to ensure the development and integration of MISs in respect of these schemes with DBT Bharat Portal by 31<sup>st</sup> May, 2019.

2. In this regard, it is stated that MISs in respect of **(i) CPS - Facilities to beneficiaries (Sponsorship), (ii) CPS - Facilities to beneficiaries and (iii) Rashtriya Mahila Kosh (RMK)** have been developed and we may send a request to DBT Mission for integration of these scheme specific MISs with DBT Bharat Portal.

3. With respect to **'One Stop Centre - Payment of Salary of Staff'** scheme, it is informed that a draft notification under section-7 of Aadhaar Act, 2016 was sent to UIDAI for vetting. The UIDAI opined that 'payment of remuneration and other expenses to the contractual manpower engaged under the scheme cannot be considered benefits under Section 7 of the Aadhaar Act, 2016. In view of this, the fact that the expenditure is met from the Consolidated Fund of India becomes immaterial. If the same effect is to be adopted, it should be done pursuant to a contract with such staff who are engaged. The same will be permitted and its effects protected under Section 57 of the Aadhaar Act, 2016.

4. The matter was again taken up with UIDAI proposing the draft notification under Section-57 of the Aadhaar Act, 2016 with reference to the Hon'ble Supreme Court's judgment dated 26.09.2018 for vetting. This time the UIDAI observed that the Hon'ble Supreme Court in the judgment dated 26.09.2018 has held that 'the portion of section-57 which enables corporate body and individual to seek authentication on the basis of contract is unconstitutional. In view of thereof, authentication may be preferred only when such requirement is backed by a valid law.'

5. Since the notification was not vetted by UIDAI either under Section-7 or 57

under Aadhaar Act, 2016, a request has been sent to Secretary (Coordination), Cabinet Secretariat proposing to exclude the OSC scheme from DBT platform. The decision of the Cabinet Secretariat on the matter is still awaited. Hence, the MIS for OSC could not be developed and integrated with DBT Bharat Portal. In view of this, we may again request DBT Mission (Cabinet Secretariat) to expedite the matter.

6. In view of above, a draft letter is placed at **DFA/70450** for consideration and approval.
